

Welcome! Thanks for choosing NopClear Responsive Theme as your store theme. Please have a look at this document on how to install and setup NopClear Responsive Theme.

Installation

Download your theme at <http://www.pronopcommerce.com/customer/orders>, upload / FTP the “NopClear” folder into your nopCommerce “Themes” folder.

Next, login to your store’s admin dashboard. Navigate to Configuration > Settings > General and Miscellaneous Settings, set NopClear as your desktop store theme.

Apply Theme Color

NopClear Responsive Theme comes with 2 different color scheme. To apply your desired color scheme, change the “**color-name**” in *NopClear/Views/Shared/Head.cshtml* file with any following value:

- black
- yellow

```
@using Nop.Core;
@using Nop.Core.Domain
@using Nop.Core.Infrastructure;
@using Nop.Web.Framework.UI
@{
    var supportRtl = EngineContext.Current.Resolve<IWorkContext>().WorkingLanguage.Rtl;
    var supportResponsive = EngineContext.Current.Resolve<StoreInformationSettings>().Respon:
    //we do not support responsive for RTL yet
    if (supportRtl)
    {
        supportResponsive = false;
    }
    //add browser specific CSS files
    var browser = Request.Browser;
    if (browser.Browser == "IE" && browser.MajorVersion == 6)
    {
        Html.AppendCssFileParts("~/Themes/NopClear/Content/ie6.css");
    }
    else if (browser.Browser == "IE" && browser.MajorVersion == 7)
    {
        Html.AppendCssFileParts("~/Themes/NopClear/Content/ie7.css");
    }
    //responsive design
    if (supportResponsive)
    {
        Html.AppendCssFileParts("~/Themes/NopClear/Content/responsive.css");
    }
    //add main CSS file
    if (supportRtl)
    {
        Html.AppendCssFileParts("~/Themes/NopClear/Content/styles.rtl.css");
    }
    else
    {
        Html.AppendCssFileParts("~/Themes/NopClear/Content/styles.css");
        //Color Scheme
        Html.AddCssFileParts("~/Themes/NopClear/Content/ColorScheme/color-name.css");
    }
}
```

Content Management

Topics

There is one new topic applied in NopClear Responsive Theme in addition to the default nopCommerce topics. Navigate to admin dashboard, Configuration > Content Management > Topics (Pages), add the following new topic:

1. HomePageBlock

This is the advertising image placed at the left column of homepage.

Logo

Name your logo image as "logo.gif" and replace it in *"/Themes/NopClear/Content/images"* folder.

Pro NopCommerce Credit

If you downloaded this theme for free, we appreciate if you can play the game fair by not removing the credit in footer. If you would like to remove the credit, you can purchase a commercial license from <http://www.pronopcommerce.com/nopclear-free-nopcommerce-responsive-theme>

Lastly, thank you for choosing NopClear Responsive Theme.
